Kt pro Jahr

# Unterschiedliche Bausteine der Luftreinhaltepolitik

Grenzwerte für Stickoxide in der Umgebungsluft und am Arbeitsplatz

Quelle: Technische Regeln für Gefahrstoffe (TRGS), TRGS 900

An abstract graphic on the left side of the image depicts a human brain in profile, rendered with a wireframe mesh. From the brain, numerous thin, colorful lines (white, blue, green, orange, red) extend outwards, suggesting neural activity or data flow. The background is a gradient of blue, with a bright light source on the right creating a lens flare effect.

# ZUKUNFT ERLEBEN

14. bis 24. September 2017 in Frankfurt am Main

**»» IAA**
